

Prescott Pride Center

Connecting Our Community

Dear Pride Partner,

For many years, the Prescott Pride Center made its newsletter, *The Pride Connection*, available at no charge. More recently, we asked community members to make a partnership contribution or volunteer commitment in exchange for the newsletter. Quite honestly, neither approach has been perfect. When the newsletter was free, we were reaching a huge number of households, but our printing bills were breaking the bank. When we instituted our partnership program, much of the printing and distribution costs were covered, but our mailing list shrunk dramatically. It was actually pretty amazing how few people were willing to spend a dollar a month for Prescott's only local GLBT publication.

The Pride Center board feels strongly that our connection to the community matters more than money, so we've decided to make a change. We'll continue to have a partnership program, but newsletter subscriptions will no longer be tied into it. If you want to continue to receive *The Pride Connection* in 2008, simply complete the form on the next page (also available at the Pride Center and on our website at www.prescottpridecenter.com/PPC_partner.htm) and send it in, with or without a donation. You'll be added to the 2008 mailing list either way. To continue to support the Pride Center through our partnership program, just use the same form to indicate your level of giving and whether or not you wish to receive a laminated partner card. Due to the expense and volunteer commitment required to make and distribute cards, we will only issue cards upon request this year and no cards will be issued for 2008 partnership renewals received after January 15th.

We are making these changes to be more efficient and to improve our connection with the community. If you have any questions about our new system, please feel free to contact our executive director, Frankie Reynolds, at (928) 443-8520. Thank you for your ongoing support of the Prescott Pride Center.

Sincerely,

The Prescott Pride Center Board of Directors
